SITUATION & AMENITIES

Lee is a small coastal village, quietly tucked away in a deepcombe, on the dramatic North Devon Coastline, often referred to as 'Fuchsia Valley' due to its maritime but sheltered climate. Lee and nearby Lincombe account for just over 100 properties and boast a church, village hall, gallery and The Grampus public house which also serves food. The beach and bay itself are within a short walk and a multitude of splendid contrasting local walks stem from the village - most of which are well signposted and vary in type and length. Lee Bay is within an Area of Outstanding Natural Beauty. We understand that in the Winter when the leaves are off the trees, there is a glimpse of sea. The bustling village of Woolacombe, with its 3-mile-long sandy beach, is a short drive. Further afield are the other famous surfing resorts of Croyde Bay, Putsborough and Saunton Sands (also with championship golf course). Exmoor is also easily accessible with its beautiful rugged coastline and dramatic scenery, open moorland and wooded valleys. Barnstaple, North Devon's Regional Centre is within half an hour by car, and provides a comprehensive range of business and leisure facilities. From the town there is direct access on to the A361 North Devon Link Road, providing easy access to Tiverton Parkway Railhead (London, Paddington 2 hours) and beyond to the M5 Motorway.

SERVICES

Main electricity and water. Drainage is to a private system. Heating is by solid fuel range with back boiler or electric heaters.

DESCRIPTION

Understood to have originally been converted from an apple store, and in the same family ownership for over 40 years, Wall Garden Cottage comprises a detached character cottage, which presents painted rendered elevations with replacement double-glazed windows, beneath a slate roof. The accommodation is arranged over two storeys and includes: on the Ground Floor – PASSAGEWAY, SITTING ROOM, DINING ROOM, KITCHEN, 2ND KITCHEN. On the First Floor – landing, 2 BEDROOMS and a WET ROOM. Externally there is a DETACHED GARAGE with CAR PORT in front, two DETACHED CHALETS - used in the past as overspill bedroom accommodation, various sheds (one with functioning wc and wash hand basin) and mature, lightly wooded and secluded hillside GARDENS of just over an acre. The property is considered to have potential to extend, redevelop or to make more of the chalets and outbuildings, subject to any necessary planning permission being obtained. The house and garden form Lot 1. Lot 2 is a separately accessed car park, large enough to accommodate 3-4 vehicles, accessed from the lane below, which is the main artery through the village.

There is a separate pedestrian gate, as well as double and single gates leading to the lower CAR PARK AREA. The two DETACHED CHALETS are located to the rear of the main dwelling. DIRECTIONS

At the Mullacott Cross roundabout, take the Woolacombe/Mortehoe turning. After approximately 1.5 miles look out for a fairly inconspicuous turning to the right, where there is a sign for Lee/Lincombe. Continue down this lane and at the next junction turn left towards Lee village. Proceed into the village, passing the church on your right, take the right-hand fork and 100 yards on the right is signposted Home Lane. Take the Home Lane turning, up a slight hill and the property's vehicular entrance is on your right.
