## SITUATION & AMENITIES

Greenbank enjoys an elevated position in Beach Road just before the turning to Springfield Road, which is on the fringe of the centre of this highly sought-after coastal village. It has miles of superb sandy beach which has in recent years been voted by Trip Advisor best beach destination in the UK, and 13th best in the world! This makes Woolacombe a fabulous place for holidays and for recreational water sports. The beach blends nicely into Putsborough sands to the South.

The village nestles on the North Devon coast through which the South West coastal path runs, this provides many miles of delightful walks to Baggly Point in Croyde and up to Mortehoe and the rugged North Devon coast beyond. The village has a good primary school, church, medical centre, pharmacy, post office and many shops, pubs and restaurants. The larger Victorian town of Ilfracombe is 6 miles away. Saunton Sands with its Championship Golf Course is easily accessible, as is Exmoor National Park. Barnstaple the Regional centre is about 14 miles to the South and houses the area's main business, commercial, leisure and shopping venues as well as District Hospital and theatre. The North Devon link road is also within easy access and connects after about an hour or so to Junction 27 of the M5 Motorway, and where Tiverton Parkway offers a fast service of trains to London Paddington, in just over two hours. The nearest International airports are at Bristol and Exeter.

## DESCRIPTION

Greenbank presents elevations of brick and painted render with replacement double glazed doors and windows, beneath a tiled roof. The original core dates back to the 1920s, but in recent years the property has been the subject of extensive modernisation and improvement, and is now basically a period shell with a new interior. The works have been undertaken to a high standard using quality materials, fixtures and fittings. The house is immaculately presented and offers bright and spacious accommodation, with the principal rooms concentrating on the 'wow' factor, which are the views over Woolacombe Bay and out to sea. The house is complemented by landscaped gardens, designed with ease of maintenance in mind, but also with an emphasis on entertaining and leisure. The property is currently operated as a thriving holiday let, and potentially available on a 'lock, stock and barrel' basis, including forward bookings. Further details on the income are available on request from the Selling Agents. A further dimension is the building plot, which is separately accessed to the rear of the property. Planning permission was granted by North Devon District Council under Planning Reference 76928 in March 2023, for a detached single chalet-style property with full residential use. There is therefore potential to develop this as secondary accommodation for relatives, as holiday let, to build and sell off or sell off the plot for others to develop. The proposed accommodation would include: on the Ground Floor – Kitchen/Dining Room, Sitting Room, Office, Utility Room, Bedroom and Bathroom. And on the First Floor – two further Bedrooms and a Shower Room, making three to four Bedrooms overall. There would also be ample parking and turning space. A 3D illustration showing the relationship of the house and the plot (developed) accompanies this brochure. All in all, this is certainly a property that needs to be viewed to be fully appreciated.
