Energy Efficiency Rating

|                                             | Current                 | Potential |
|---------------------------------------------|-------------------------|-----------|
| Very energy efficient - lower running costs |                         |           |
| (92 plus) A                                 |                         |           |
| (81-91) B                                   |                         |           |
| (69-80) C                                   |                         |           |
| (55-68) D                                   |                         |           |
| (39-54) E                                   |                         |           |
| (21-38) F                                   |                         |           |
| (1-20) G                                    |                         |           |
| Not energy efficient - higher running costs |                         |           |
| England & Wales                             | EU Directive 2002/91/EC | 85        |

Environmental Impact (CO<sub>2</sub>) Rating

|                                                                 | Current                 | Potential |
|-----------------------------------------------------------------|-------------------------|-----------|
| Very environmentally friendly - lower CO <sub>2</sub> emissions |                         |           |
| (92 plus) A                                                     |                         |           |
| (81-91) B                                                       |                         |           |
| (69-80) C                                                       |                         |           |
| (55-68) D                                                       |                         |           |
| (39-54) E                                                       |                         |           |
| (21-38) F                                                       |                         |           |
| (1-20) G                                                        |                         |           |
| Not environmentally friendly - higher CO <sub>2</sub> emissions |                         |           |
| England & Wales                                                 | EU Directive 2002/91/EC |           |
