ACCOMMODATION

A deceptively spacious, three bedroom end of terrace home situated centrally in the Conservation Area, benefiting with a garage and offered to the market with no upper chain.

The property is set back from the road by a small front garden and pathway leading up to the porch.

Downstairs, the open-plan accommodation is well presented and in good condition throughout. The generous sitting room is at the front, with double doors flowing through and opening into the kitchen / dining room to the rear. From the kitchen patio doors open out on to the rear garden.

Upstairs, the property has three bedrooms, two of which are double rooms, and a well appointed family bathroom completes the accommodation.

The south facing rear garden is mainly laid to lawn with a large patio area off the patio doors. From the rear garden, there is also access to the garage located at the rear of the property.
