This beautifully presented four bedroom townhouse is one of only six in the row and has two allocated parking spaces to the rear with an enclosed garden.

The property is located within a convenient and popular location being close to schools, local shops for day to day needs, and many of the towns major employers such as Bentley Motors and Leighton Hospital.

The property is set over 3 floors, to the ground floor you enter via an entrance hall which has a useful under stairs storage space, leading away from the hall is a fitted kitchen with a range of units including a built-in electric oven and gas hobs. Also off the hallway is a cloakroom and a spacious lounge, which accommodate dining space if needed and enjoys French doors which open out to the garden. The middle floor has a very good sized second bedroom which could also be used as a additional reception room if required. On the landing there are doors leading to a storage cupboard, family bathroom with mixer shower over the bath and a good single sized fourth bedroom.

On the top floor there is a large master bedroom and en-suite shower room, plus the third bedroom.

The master bedroom and both bedrooms two and three are the width of the house with them all having double windows letting in plenty of light to these excellent sized bedrooms.

Externally there is a neat walled and gated forecourt, which is paved up to the house with a lawned area to the side. The rear of the property is laid with shingle and paving. Beyond are two allocated parking spaces.
