Seeing is believing... Lewis King is delighted to present this beautifully refurbished home in Wheelock to the rental market. The owners have undertaken an impressive full renovation, finished to a high standard throughout and sure to appeal to tenants who appreciate quality

The property boasts a brand-new fitted kitchen, a stylish four-piece family bathroom, and a modern en-suite shower room. New carpets have been laid from the stairs through to the first and second floors, and the entire house has been freshly redecorated, creating a bright and welcoming feel throughout.

From the outside, the scale of this spacious four-bedroom home is deceiving. However, its generous proportions and well-designed layout become immediately apparent when exploring the photos, floorplan, and in person.

You enter into a comfortable lounge which leads through to the newly fitted kitchen, complete with an electric oven, gas hob, integrated dishwasher, and a freestanding fridge/freezer. A cleverly designed utility area beneath the stairs houses the washing machine. Adding character to the space is a charming cast iron range cooker. The ground floor is completed by a bright and airy sunroom, ideal as a second reception room, with French doors opening onto the patio garden.

The first floor offers three well-proportioned double bedrooms, with the second bedroom being particularly generous in size. This floor also features a contemporary four-piece bathroom suite. A separate landing area leads to the second floor and provides an ideal space for a home office.

Occupying the top floor is an impressive master bedroom, complete with built-in wardrobes and a stylish en-suite featuring a sink, toilet, and double shower.
