Offers around £595,000

Located on Ravens Wood, a peaceful cul-de-sac just off the prestigious Chorley New Road in Heaton, this detached family residence blends modern presentation with practical design. Built in the early 1990s and owned by only two families since, it offers a sense of continuity, quality, and care. Designed with family life in mind, it features a versatile layout, premium fittings throughout, and a superb balance of indoor and outdoor living space.

A brief overview of the ground floor accommodation includes an entrance porch, central hallway and WC, lounge, office/playroom, integrated kitchen and open aspect dining area, and integral double garage, while upstairs are four double bedrooms with an en-suite to the master, and family bathroom.

### Living Space

The entrance hall sets the tone with its generous proportions and premium flooring that flows through from the lounge, creating a warm and traditional feel. The main lounge benefits from dual aspects, with a large front window and glass sliding doors opening to the rear garden ensuring excellent natural light, while a modern stone fireplace with gas fire forms a stylish centrepiece.

The spacious kitchen is the hub of the home – fitted to an excellent standard and complete with two brand new Neff slide-and-hide ovens, Bosch hob with extractor, Bosch dishwasher, and an additional full-length Bosch fridge. Its open-plan design flows into a spacious dining area with views over the garden, making it ideal for entertaining or family gatherings.

A separate dining room offers flexibility, equally well-suited as a home office or children’s playroom. Practical elements include a downstairs WC fitted with Duravit sanitary ware, a handy utility room with plumbing for the washer/dryer, and understairs storage housing the alarm controls.

### Bedrooms & Bathrooms

Upstairs, a broad landing connects the bedrooms and bathrooms, enhancing the sense of space. The master suite is fitted with bespoke, hand-painted Hammonds shaker-style furniture, including wardrobes and drawers, complemented by stylish Amtico flooring. Its ensuite shower room is fully tiled with Duravit sanitaryware and features a large walk-in shower, wash basin and WC.

Each of the remaining bedrooms is well proportioned, fitted with high-quality furniture, and ideal for children, guests, or as further office space.

The family bathroom is a stand-out feature, also fitted with Duravit. It is fully tiled and equipped with a tiled-in corner bath with integrated TV, a walk-in shower with glass façade, basin, and WC – combining luxury with functionality. Underfloor heating in the bathrooms adds comfort.
