Here is a great opportunity to buy a 3 bedroom detached house for a similar price to many semi-detached and terraced homes. If you like the idea of a detached house then this property gives you that ability at a sensible price. If you want to avoid passing traffic then the location would be perfect as the house is situated at the end of a cul de sac.

The house has three bedrooms of which two are double rooms and the third is a smaller single that would be ideal as a nursery or home office. The bathroom is modern and downstairs there is a living room with bay window, a fitted kitchen/diner and UPVC double-glazed conservatory. The house has gas radiator central heating (with many modern radiators) and UPVC double-glazing so will be comfortable in the colder months.

The property is within easy reach of Rushden town centre and Rushden Lakes shopping a leisure facilities. The house is also within a short drive of the A45 which links across to the A14 and so is a convenient location.

Viewing is highly recommended.
