76 Highfield Road, Wellingborough, Northamptonshire NN8 1PL

A recently updated two bedroom ground floor self-contained flat situated within a block of just four properties and having the advantage of a communal residents' car park. The flat has been upgraded by the current owner in the last few years and has wood effect flooring, modern Creda electric radiators, refitted kitchen with appliances and a modern bathroom. The property also has UPVC double-glazed windows.

The property has a modern bright feel and the lounge/diner is a good size with plenty of space for day to day living. The smartly refitted kitchen and bathroom are also appealing.

Wellingborough Railway Station is just a 15 minute walk from the property and a regular rail service to London St Pancras gets you to the capital in around 55 minutes.

The property does have a lease of 64 years and so will be suitable for cash buyers only hence the realistic asking price for a property of this nature. Ideal for a cash investor or home buyer who doesn't need a mortgage.

Viewing highly recommended.
