ned team of estate agents, industry leading marketing
hat extends throughout Dorset and Hampshire, our estate
s to deliver exceptional results for our clients.

First class service from Colin. Nothing was too much trouble and he followed everything through from the first enquiries to the successful completion. He was always on hand and very quick to respond. I felt that I mattered which has not always been my experience with other agents.

I cannot recommend Hive enough! My flat had been on the market for several months with no viewings and had not managed to sell, despite several viewings. Within a week of listing with Hive it was sold. Thanks to Hive's experience, professional advice and support was invaluable and I am so grateful.

My local HIVE agent was always available at the end of the phone and kept me regularly updated throughout the sale. The initial feedback from viewings was received immediately, and he even gave guidance to inform our onward purchase. The best in the area!

Hive took on our property after we had a very disappointing experience with another agent. They came in took some great photos and drone footage of the property and got straight to work. We had several viewings which lead to the sale. They kept in contact and provided weekly updates on the number of hits the house was getting. If you're thinking of selling give Hive a chance.

Nick Beavan recently called for a valuation for our family, and he was brilliant. He was incredibly patient, took the time to explain everything, and answered all of our questions. His professionalism and expertise were evident throughout. We felt confident in his expertise throughout the process. He is a great agent - highly recommended.

HIVE went above and beyond to capture fantastic photos using virtual staging to show the home's full potential. The result was a beautifully presented listing that really stood out, and ultimately led to a successful sale.
