A superb investment and development opportunity is offered without chain. Planned over two floors is this three bedroom flat within a Victorian detached property. Once on the first floor you have a large lounge with open plan dining area that was previously a bedroom. This spacious room has original features within and high ceilings. The kitchen is separate and a good size. To the rear of the property is the large double bedroom and bathroom area. On the top floor is a further large bedroom. Ideally this home would be a project for someone who wants to make this unique. It has heaps of potential and deserves any early viewing.
