## SUMMARY

A rare opportunity to acquire this light and deceptively spacious duplex apartment located within the popular residential area of St Leonards. The property occupies a prime location offering convenient access to the Royal Devon & Exeter Hospital, a parade of independent shops, cafe's & restaurants on Magdalen Road & the City Centre.

The apartment forms part of an impressive period building which has recently undergone a programme of external works to include re-rendering of the building and replacement of the roof. The apartment is accessed via a secure communal door with stairs rising to the first floor and private entrance. The accommodation comprises in brief, open plan kitchen dining room, living room and a utility/WC to the entrance floor. Two double bedrooms an ensuite shower room and a bathroom are located to the top floor of the apartment and complete the accommodation. Further features include a wealth of storage throughout the apartment and large windows which let in an abundance of natural light. Outside the property enjoys the use of a single garage located to the side of the building.

Naomi J Ryan Estate Agents are delighted to bring this property to the market for sale with no onward chain and highly recommend internal viewing to fully appreciate all it has to offer.
