SUMMARY

A well-presented three-bedroom end-of-terrace home offered to the market with no onward chain, providing bright, well-proportioned accommodation across two floors along with two reception rooms and a generous rear garden.

The property lies within the district of Wonford, a popular and well-established residential area of Exeter known for its excellent access to the RD&E Hospital and convenient links into the city centre. Local amenities, green spaces and regular bus routes contribute to the area's appeal, making Wonford a favoured choice for professionals, families and those seeking strong everyday connectivity.

The ground floor features a welcoming entrance hall leading to a light living room at the front of the property. To the rear, the dining room benefits from direct access to the garden through glazed doors. The kitchen is well arranged and overlooks the garden, while a notably large store room offers excellent potential—adding a window could transform it into a highly useful home office. Upstairs, the home provides three bedrooms arranged around the landing, along with a separate WC and a bathroom that includes a generous built-in storage cupboard.

Externally, the property boasts neatly maintained front and rear gardens. The rear garden includes a patio area and a side gate allowing pedestrian access from the front. Enjoying a desirable south-westerly orientation, the garden is bathed in sun from morning to late afternoon and enjoys a good degree of privacy. The property also benefits from access to off-road parking within a nearby residents' car park which is offered on a first come first serve basis. Parking on street is available for which a permit is required.

Naomi J Ryan Estate Agents are delighted to bring this property to the market for sale and highly recommend internal viewing.
