SUMMARY

A spacious mid-terraced house featuring two double bedrooms and a garage, offered for sale with no onward chain. The property requires cosmetic enhancements throughout and is situated in the sought-after and well-established Broadfields area. This popular location provides easy access to a regular bus service, reputable schools, the City Centre, and the major road network encircling the city.

The accommodation includes an entrance porch with a practical storage cupboard, a hallway, a spacious living/dining room with patio doors leading to the rear garden, a separate kitchen, two double bedrooms, and a bathroom.

Externally, there is an enclosed garden with a paved patio area. An additional section of the garden offers potential for landscaping. A pedestrian gate provides access to a rear pathway, which leads to a block of garages where there is a single garage. At the front of the house, there is a small garden area, laid to lawn.

Early internal viewing is strongly advised.
