SELLER'S SECRET

I have really enjoyed refurbishing this property. I wanted a property that I could modernise and choose my own kitchen and bathroom.

I'm really pleased how the property has come on and the driveway and garage have been a real treat.

I'm excited about finding my next property and hope who ever buys this property will be as happy as I have been.

Why we like it....

This is a great property for a first time buyer or investor looking for a low risk investment opportunity.

The kitchen and bathroom are modern and the garden is reasonably low maintenance.
