SELLER'S SECRET

We moved to Park Avenue North to be close to Abington Park, the town centre and Northampton School for Boys.

The location and size of the property were what sold it to us back in 2006 and we have made some fantastic memories here.

We have been very happy here and will miss the convenience of the location greatly. Now the boys have left home we are simply looking to move into a more rural part of Northamptonshire.

Why we like it....

This is a fantastic opportunity to acquire such a well-kept family home. The current vendors have kept the property in fantastic condition throughout and can be seen when walking through.

We fully expect a property of this calibre won't be on the market for very long. To arrange your internal viewing, please call us today on 01604 622722 to arrange your internal viewing.

To buy or not to buy....
