SELLER'S SECRET

We have lived in this property from new and have loved it. The size and layout of the property has been ideal for our family as it has grown. We are going to be sad to leave and are only moving because we have seen our next dream home. We have been able to use the fourth bedroom as a study which has been very handy whilst working from home.

Why we like it....

This is a fantastic three storey home which could be moved straight in to. The kitchen diner family room with doors leading on to the garden is fantastic and the upstairs sitting room offers a relaxing space to relax at the end of the day.
