SELLER'S SECRET

We have lived here for 9 years and have thoroughly enjoyed our time here. The location is excellent and is easily commutable with such excellent road and rail links on our doorstep.

We use Bedford and St Neots generally for shopping with a Waitrose and M&S in each and both towns are just a short drive away.

The village pub is excellent and offers traditional pub food and a superb choice of real ale!

We are simply looking to be closer to our elderly parents and if we could pick the house up and take it with us we would!

Why we like it....

This house delivers on all levels! It is absolutely immaculate, every room is of an excellent proportion, the parking and garaging are superb and the garden is wonderfully private.

We really think this is a lovely family home.

Property prices in the area are rising due to its close proximity to London and we are certain that does this not only make a lovely home but will also provide an excellent investment too.

Viewing is a must!

To buy or not to buy....
