INSURANCE

You are required to have sufficient means to cover your liability for the Landlord's fixtures and fittings as set out in the Tenancy Agreement. Sufficient means includes a sum of money available to put right any damage, or alternatively you could purchase a suitable insurance policy to cover this liability.

The Landlord's insurance policy does not cover your

possessions within the property. You are advised to consider the need for Tenants Insurance, which usually includes cover for your own possessions and accidental damage to the Landlord's items. Please see Grisdales for full details on this.

The Landlord will not be responsible for any damage caused to your belongings unless it is caused by an act or omission by the Landlord or Agent, which invalidates any insurance you do have.

RENTAL PROTECTION PLAN

Have you ever thought how you'd cover the cost of your rent if you were to become ill or injured and were unable to work? – Taking out Rental Protection Plan is a great way to protect yourself, or the ones you love, should the unexpected happen during the length of the plan – Ask for a FREE appointment to discuss this plan with Kirsty, our Protection Specialist.
