With Home Reach by Heylo, you purchase a portion of your chosen home and pay subsidised rent on the remaining share.

The rent you pay is calculated at 2.75% of the value of the unsold share and is paid monthly by Direct Debit to Heylo. This will increase each year in line with either the Consumer Prices Index (CPI) rate of inflation, plus 1.0%, or the Retail Prices Index (RPI) rate of inflation, plus 0.5%. Please check your lease for confirmation of which mechanism will apply to your home.

While you don't own your home outright, it will remain leasehold.

You can buy more shares in your home over time, at a pace that suits you. This process is known as staircasing. Once you purchase all shares in your home, you own the home outright and the freehold passes from Heylo to you.
