AS CUTE AS A BUTTON!!

We love this – with all its character and charm! The beams in the bedroom are fascinating!

It's a super one-bedroomed cottage with a sitting room with wood wood-burning stove and a tiny yet practical kitchen on the ground floor and a bedroom with mezzanine level and shower room on the first floor. There's a paved area at the front along with gas heating and double glazing. It would make a fantastic FIRST TIME BUYERS' home or an INVESTMENT property.
