IT'S ALL ABOUT THE GARDEN AND THE VIEW..... but the house isn't bad either!

Here we have a fabulous three bedroomed semi-detached house which occupies a stunning position near the entrance to this popular residential area so there's easy access into both Seaton and Workington for some great facilities.

The house itself offers some good space including two reception rooms and a kitchen and upstairs three bedrooms and a bathroom. Some modernising is required but think long term and it could be your forever home - with the open and south facing outlook from the rear you won't want to move!

There's off road parking, a single garage with store and a gorgeous garden with lawn and some beautiful plants, trees and flowers.

Having been occupied by the same owner for 61 years this purchase is the chance of a lifetime and it will certainly sell well!
