

St Martins, Leamington Road

Princethorpe **CV23 9PU**

Guide Price £675,000

St Martins, Leamington Road

St Martins is an extended four bedroomed detached family home which is imposingly set back from Leamington Road behind a substantial arched gravelled driveway. Also benefiting from a generous mature rear garden with an outlook towards the characterful buildings of Princethorpe College in the distance, the property offers accommodation including two separate reception rooms with wood burner to the lounge, in addition to a kitchen/breakfast room and separate large utility room. On the first floor, the four bedrooms are complemented by an en suite shower room to the master, whilst externally the aforementioned driveway provides parking space for a good number of vehicles, as well as giving direct access to two separate garages which are positioned to either end of the house. In summary, this is an excellent opportunity to purchase an enlarged family home which is well positioned within a popular and convenient village.

LOCATION

The village of Princethorpe is conveniently located around 6 miles south-west of Leamington Spa and roughly equidistant to the town of Rugby and central Coventry. The village is well known for its famous school, Princethorpe College, there also being a primary school within the village and is also well placed for access to local road links including the Midland motorway network.

ON THE GROUND FLOOR

Imposing gabled porch entrance from which a UPVC double glazed door with matching side panels opens into:-

THROUGH ENTRANCE HALLWAY

With staircase off ascending to the first floor, central heating radiator, access to understairs storage cupboard, grey wood grain effect flooring and replacement doors radiating to:-
