Offers Over £320,000

4 The Glass House, Windsor Street

TOWN CENTRE LOCATION WITH NO ONWARD CHAIN

Being situated within a supremely convenient town centre location just a short walk from all facilities and amenities, this exceptionally spacious purpose-built apartment offers exceptional accommodation of almost 1,200 square feet. One of the most notable features of the apartment is its exceptionally large lounge that is almost 20 feet square in dimensions, whilst in addition to the principal bathroom, the master bedroom also benefits from en suite facilities. A further significant advantage is the secure allocated parking within the basement of the building which is protected by electrically operated doors and within which there is allocated parking available for one vehicle. Overall this is a superb apartment for town centre living whilst also offering buy-to-let possibilities, having recently been let at a gross annual income of approximately £16,000.

LOCATION

The Glass House is a purpose-built development of self-contained apartments situated within an extremely convenient central Leamington location and with the flats arranged over a secure basement car park. The Glass House is within easy walking distance of all town centre facilities and amenities including Leamington's wide array of shops and independent retailers, bars, restaurants, artisan coffee shops and parks. There are excellent local road links available out of the town including those to neighbouring towns and centres and the Midland motorway network, with Leamington Spa railway station providing regular commuter rail links to many destinations notably London and Birmingham.
