A beautifully presented and deceptively spacious four-bedroom terraced family home, arranged over three floors and offering versatile accommodation throughout.

The heart of the home is an impressive open-plan contemporary kitchen/dining room which seamlessly flows into a welcoming family room featuring an attractive fireplace, creating an ideal space for modern family living and entertaining. A separate reception room provides additional flexibility, perfect as a formal sitting room, home office or playroom.

On the first floor are three well-proportioned bedrooms, including the generous principal bedroom which enjoys direct access to a spacious roof terrace enjoying beautiful views over the River Adur. This floor is further complemented by a large family bathroom and a separate shower room.

Occupying the second floor is a substantial loft room, offering excellent versatility as a fourth bedroom, home office, hobby room or guest accommodation.

Externally, the property benefits from a south-facing, low-maintenance rear garden, ideal for outdoor dining and relaxation. To the rear, there is the added advantage of off-road parking and a garage, providing valuable storage and convenience.

Situated in the heart of the historic market town of Steyning, this attractive home combines character and charm with contemporary living, making it an excellent choice for growing families seeking spacious and well-appointed accommodation in a highly desirable location.
