Description

We are really happy to market this three bedroom, semi-detached house in Goring-by-Sea. Presented over three floors, that has elevated east and west views from the second floor. Positioned in a quiet secluded close, being just yards from the sea.

The stand out feature here, is the west facing garden, that is both private and lawned, with olive and palm trees, and grape vines. There is a further "Mediterranean" style area at the end of the garden, perfect for outdoor dining. All accessed by double glazed patio doors, from the living room.

The entrance leads into the hallway. On the ground floor there is the kitchen, shower room, and living room with stripped wooden flooring, and double aspect, leading to the west facing front garden. The rear garden is mainly paved. The first floor has two double bedrooms and family bathroom. The second floor has the third bedroom with elevated views.

Externally the property has a shared driveway and garage.
