We are delighted to offer this beautifully presented converted Victorian first floor apartment, ideally situated in the heart of Broadwater. Offered for sale with no onward chain, a share of the freehold, a long lease and the rare benefit of pets being permitted under the terms of the lease, this charming home combines character features with modern styling and is perfectly suited to first-time buyers, downsizers and investors alike.

Occupying an attractive converted Victorian building on the ever-popular Queen Street, this well-proportioned apartment offers bright and spacious accommodation throughout. The standout feature is the impressive double-fronted living room, filled with natural light and centred around an attractive period fireplace, creating a welcoming focal point.

Leading directly from the living room is a contemporary fitted kitchen, offering an excellent range of worktop and storage space. The spacious double bedroom is positioned to the rear of the building, enjoying a pleasant outlook, while the accommodation is completed by a modern bathroom fitted with a shower over the bath and the convenience of a separate WC.

The apartment benefits from a share of the freehold, a long lease and the increasingly sought-after advantage of pets being permitted, making it a particularly appealing opportunity within the local market.

Queen Street enjoys a prime position within the desirable Broadwater area, conveniently located for Broadwater Village shopping parade, Worthing town centre, supermarkets, cafés and restaurants. Worthing's mainline railway station is approximately 600 metres away, providing direct services to London, Brighton and along the South Coast, while regular bus routes, local schools and everyday amenities are all within easy walking distance.
