## **Accommodation**

On the ground floor, there is a cosy front lounge with a southerly-facing window, providing a warm and inviting living space. This is complemented by a separate dining room, complete with a log burner, and leading through to the kitchen. From the kitchen, bi-fold doors open into a breakfast room, creating an excellent additional reception space ideal for modern living and entertaining.

Upstairs, the property offers two bedrooms along with an attractively re-fitted bathroom, featuring a modern shower with a glass shower panel over the bath. It should be noted that the bathroom is accessed via the second bedroom; however, to provide greater privacy and seclusion, a stud wall could be installed to create separate access (please refer to the floor plan). The two bedrooms can currently be separated by Japanese sliding blinds.

Externally, the house boasts an attractive rear garden featuring a lawned area, well-stocked flower beds, and a variety of mature trees and shrubs.
