We are delighted to offer this substantial and well presented four bedroom detached family home, ideally situated on the highly sought after Brighton Road seafront, enjoying stunning panoramic views across the English Channel and Worthing's popular promenade. The property offers spacious and versatile accommodation throughout, with a generous rear garden, off road parking for multiple vehicles, an integral garage and the added benefit of no onward chain.

The property is approached via a herringbone brick driveway providing off road parking for several vehicles and access to the integral garage, which offers potential for conversion subject to the necessary consents.

A double glazed stained glass front door leads into a spacious entrance hall with oak flooring, which continues through to the impressive lounge dining room. This bright and airy space enjoys direct sea views and benefits from double glazed French doors opening into a generous sunroom, overlooking the rear garden with direct access outside.

The kitchen is fitted with a range of white fronted wall and base units complemented by granite work surfaces, incorporating a gas hob, electric oven, integrated dishwasher and space for an American style fridge freezer or breakfast table. A side door provides convenient access to the garden. The ground floor is further complemented by a fully tiled shower room.

To the first floor, a spacious landing provides access to the bedrooms, currently arranged as three, with one room incorporating a dressing area which could easily be reconfigured back into four bedrooms if required. Three of the bedrooms enjoy stunning sea views, with the remaining bedroom overlooking the rear garden. The family bathroom is of an excellent size, measuring approximately five metres, and is fitted with a Jacuzzi bath, separate steam shower cubicle, wash hand basin, WC and bidet.

From the landing, a pull down loft ladder provides access to a useful loft room with a Velux window enjoying distant Downland views, along with power and lighting.

Externally, the rear garden is of a generous size and is mainly laid to lawn with mature trees and shrubs, two patio areas, outside power points and side access. There is also a timber shed and a timber built studio, ideal for those working from home or as a hobbies space.

Further benefits include double glazing, underfloor heating throughout, and no onward chain.
