Description

Robert Luff & Co are delighted to present this spacious 1930's detached home, full of character and modern upgrades, ideally located in the heart of Broadwater. Once a doctor's surgery, the property offers a lounge, dining room, kitchen, utility room, and integral garage. Upstairs features four bedrooms, a family bathroom, separate shower room, and a large loft space currently used as a workshop.

The home has been fully rewired, replumbed, and replastered, with a new boiler installed in April 2025, cavity wall insulation, and partial roof renovation including professional leadwork. It is light, bright, energy-efficient in winter, and stays cool in summer.

Outside, the property offers well-kept gardens, ample parking, and views over Broadwater Green, a vibrant community space that hosts cricket matches, fairs, and local events. With excellent schools, shops, and easy access to the South Downs, seafront, and London train links, this is an ideal family home.

Viewing recommended.
