The M5 motorway, accessed via J7 at South Worcester, provides onward travel to Birmingham and the surrounding industrial and commercial areas as well as Birmingham International Airport, the M40 and London. The M5 South also provides for commuting to Cheltenham, Gloucester and Bristol. Whilst Malvern benefits from railway stations at Great Malvern and Malvern Link, the Worcester Parkway Railway Station, situated to the east of Worcester, increases the capacity to London as well as reducing the journey time. This has a significant impact on Worcestershire’s accessibility to the capital and other regional centres. If education is a priority, then Worcestershire is blessed with an enviable mix of schooling at all levels, including a variety of independent establishments, allowing parents to select the right environment for their children’s needs. Malvern gives its name to both The College and Malvern St James, whilst at Worcester there is the King’s Schools and Royal Grammar Schools

This is a rare opportunity to acquire a spacious and immaculately presented bungalow in a prime Worcestershire location. Whether you're looking for a forever home, countryside retreat, or flexible living with future potential, this property ticks every box.
