An affordability assessment for a rental application is a check to see if a tenant can afford the monthly rent after covering other essential expenses. For you to be able to apply for this property your annual income will need to be at least the rent being charged per calendar month X 30 (i.e. £750pcm rent X 30 = £22500 annual income required). If a guarantor is required their annual income will need to be at least the rent being charged per calendar month X 36 (i.e. £750pcm rent X 36 = £27000)

Referencing and id checks will be carried out.
