Position, Setting, Plot and View... this one really has the lot... tucked away at the end of short cul-de-sac, just off Church Street... with bucolic views across neighbouring farmers' fields.

Named due its proximity to the neighbouring Village Church, the spacious family home was created by the current owners in the 1990s and every turn gives you a wonderful sense of even more spacious with some of the largest rooms we have seen for some time.

A very well stocked and landscaped garden with mature shrubs and plenty of plants providing both the colour and texture... which can be enjoyed from the comfort of the conservatory or the extensive and very private patio area - the perfect location for those who enjoy al fresco dining during those balmy summer evenings.

The property has many charming features to include brick built fireplaces and arched doorways and was built in the 1990's to maximise the wonderful quiet village location and its elevated position enjoying stunning views across open countryside towards the River Trent.

The accommodation consists of a spacious entrance porch leading through to the lengthy 'L' shaped hallway, large breakfast kitchen and conservatory offering good natural light and far reaching views to the rear. From the hallway there is a large living room with inglenook fireplace and french doors onto the garden, inner lobby / bar area, home office / study / playroom, spacious dining room with french doors leading to the extensive patio area of the rear garden.

The ground floor accommodation is completed by an additional reception room / bedroom with en-suite wet room with walk-in shower area.

To the first floor is a most impressive and very spacious landing. The enormous master suite consists of a huge double bedroom with beautiful views of open countryside and the River Trent, dressing room and a four piece en-suite bath and shower room. There are two further double bedrooms to the first floor and the family bathroom.
