A neatly presented and freshly decorated first floor apartment, revealing light and airy accommodation, whilst also offering a lovely enclosed garden and a flexible layout, with two bedrooms and a further multi-functional space to the ground floor, currently utilised as a utility room, whilst neighbouring properties have used this space as a study, subject to necessary consents.

Sure to be of interest to first time buyers, the property would also make an ideal buy to let, whilst the apartment offers great value for money, offering generous size accommodation for the price bracket and affordable management charges in comparison to other leasehold properties in the area.

The apartment is situated in one of Ripon's most sought-after residential areas to the north of the city. Shops and amenities are available close by, whilst the property is also ideally placed for countryside and riverside walks.

The private main entrance door leads into an entrance hall with stairs rising to the living accommodation, a handy storage cupboard and multi-functional room, currently utilised as a utility room. Upstairs, there is a spacious internal hallway with loft access, living room with a large window flooding the room with natural light and enjoying a nice outlook, kitchen fitted with a range of units and some appliances, two well-proportioned bedrooms and the house bathroom, which is part tiled and fitted with a white suite, including a bath with shower over. The apartment is double glazed, and gas central heating is in place.

Externally, a pathway leads from the street to the main entrance, where there is also a bin storage area. The path continues to the rear garden, which is mainly laid to lawn, offering shed storage and a lovely patio entertainment area. On street parking is available, on a first come first served basis.

This highly desirable apartment offers great value for money and is ready to move into, so an early viewing is advised.
