Built in 2011 by a local contractor, the property offers just under 2600 sq ft (240 sq m) of bright and highly versatile accommodation, with principal rooms having a south aspect and outlook over the rear garden. A large entrance hall provides access to three good reception rooms, including a lovely double aspect sitting room with bi-fold doors opening directly onto the rear garden. There is also potential for a ground floor suite, with cloak/shower room - ideal for a retired relative or teenager needing their own space. A part-galleried first floor landing provides access to four bedrooms - two with en suite facilities, and a very spacious bath/shower room. A particular feature is the simply superb kitchen/breakfast room - well equipped with an extensive range of storage units and integrated appliances, plus a 14'7 (4.45m) high vaulted ceiling to the breakfast area with a large, triangular south-facing picture window overlooking the rear garden. Outside, an extensive block-paved driveway leads to an integral double garage, and the property is set in large, private and mature gardens. Another feature is an 'Endless Pool' - set in its own pool house and providing a resistance swimming experience, with an adjacent hot tub. Gas central heating is supplied by a recently installed (2024) boiler, complimented by solar panels, and there are uPVC double glazed windows and exterior doors throughout.

The property is delightfully situated in this choice and much sought-after road of large, individual properties, only a few hundred yards from Cooden Beach railway station, the golf course and the seafront. Little Common shops and services are about a mile, with Bexhill town centre just two miles.
