Part of a well-known development built by local builders, R A Larkin in the late-1970's, the property is one of the larger, more sought-after designs to the front of the block, and offers highly spacious accommodation which includes two double bedrooms - both with a range of fitted wardrobes, two large reception rooms - both served by south-facing balconies, a 15'10 kitchen with newly-installed contemporary storage units, and a shower room with WC, plus a second separate WC. Outside, there are communal gardens and a garage. Stylish electric radiators are installed and there are uPVC double glazed windows and exterior doors. Carpets have recently been laid to several rooms. The block is served by a lift, features a useful rubbish chute and entryphone and constant hot water is supplied, the cost of which included in the service charge.

The block is well situated, just under a mile from the town centre and the De La Warr Pavilion, backing directly onto The Polegrove Recreation Ground and only yards from Egerton Park, both with bowls. The local town bus stops outside and Collington Halt station is just a few hundred yards distant.
