

Set in a popular Luton setting close to open green space, this beautifully presented link-detached home offers generous living space, a superb rear garden, driveway parking, garage and versatile family-friendly accommodation.

The Home

Set within an established residential setting in Luton, this attractive link-detached home offers well-balanced accommodation ideally suited to modern family life, with generous reception space, a practical layout and a beautifully maintained rear garden.

The property is approached via a smart frontage with ample driveway parking and access to an integral garage, creating an immediate sense of kerb appeal. Inside, the entrance hall provides a welcoming first impression and leads through to the principal living accommodation, with a useful ground floor cloakroom/WC also positioned off the hall.

A particular highlight is the substantial sitting room, a bright and stylish reception space with a large front-facing window, feature fireplace and a broad, open feel that works equally well for everyday living and for entertaining. Just off the main reception area is a dedicated study space, ideal for those working from home or in need of a quiet reading or hobby corner.

To the rear, the home continues to impress with a separate dining room enjoying French doors opening directly onto the garden, along with overhead skylight glazing that helps draw in further natural light. The shaker-style kitchen is both attractive and functional, offering generous worktop space, good storage, space for casual dining and a lovely outlook across the rear garden, with a charming window seat adding to its appeal. A separate utility room provides further storage and practical laundry space, with internal access through to the garage.

Upstairs, the first floor landing feels bright and characterful, leading to three well-proportioned bedrooms. The principal bedroom sits to the front and benefits from an en suite shower room. Bedroom two is a comfortable rear-facing double, while bedroom three is a particularly versatile dual-aspect room that could work equally well as a guest bedroom, child's room or further principal-style room depending on a buyer's needs. The family bathroom is a generous space and includes a striking freestanding bath.

Outside, the rear garden has been beautifully cared for and provides a wonderful extension of the living space, with lawn, patio seating areas and a garden outbuilding that adds further flexibility.

From a lifestyle perspective, the location is especially appealing for buyers who enjoy access to green space. Galley and Warden Hills is a local nature reserve managed by the Wildlife Trust, and Warden Hill Trig Point is a well-known hilltop landmark popular with walkers and those seeking elevated local views. Everyday convenience is also well catered for, with nearby shopping including Sainsbury's, ALDI, and a nearby Costa Coffee branch.

Overall, this is a highly individual and well-presented link-detached home offering a strong mix of family practicality, versatile reception space and a garden that will be hard to beat.
