

WHALLEY MANOR

Welcome to Whalley Manor

Whalley Manor has a range of stunning two, three, four and five bedroom homes with plenty of house styles available to choose from.

Sitting in the heart of Whalley's beautiful and thriving village, in a prime location at the foot of the Ribble Valley, an area well known for its outstanding natural beauty and scenic walks.

While it certainly offers its residents a taste of the good life. For those who need to commute, it's a short train journey into Manchester City Centre, while Preston is around half an hour away.

Throw in excellent schools, a thriving independent retail high street and a delicious food scene, Ribble Valley is a popular choice for many families and professionals looking to put down roots.

Enjoying life in the Ribble Valley

Ribble Valley is dubbed one of the food capitals of the North, with its burgeoning food and drink scene, so you'll certainly be spoilt for choice when it comes to dining out at top-notch and award-winning restaurants.

And if its culinary scene wasn't enough to tempt you, there is so much beauty on your doorstep, from stunning walking and cycling trails winding through the lush Ribble Valley to the majestic Whalley Abbey – Whalley's most famous site. It's little wonder this charming village, perched on the banks of the River Calder surrounded by such beautiful countryside and historical interest, has been designated as an Area of Outstanding Beauty in its own right.

The village sits at the foot of Pendle Hill, which, once you ramble to the top, has spectacular views over most of Lancashire. Nearby, the Forest of Bowland offers some of the region's finest scenery, with hundreds of acres of sweeping natural landscape to explore and enjoy. Closer to Whalley Manor, Spring Wood is a convenient place for a short walk.

Location and Lifestyle

Where we decide to build our homes is important to us. We believe that there should be a home for everyone, and we pride ourselves on creating homes you need, where you need them.

Homes aren't only loved for their aesthetic but for the communities they create. We believe everyone deserves a special place to live, so we design homes for all. From stylish, urban apartments for young professionals to larger, family-sized homes in semi-rural settings. Finding the right location is important to us so we can start you off on the right foot – providing homes that aren't just practical now, but in the future too.

We believe in giving everyone opportunity to purchase their own home so we offer a range of purchase options in locations where these options haven't been available before, including Shared Ownership and Help to Buy.

Transport

Despite its semi-rural location in the heart of Lancashire's lush countryside, Whalley is well connected with all major roads, including the A671 and A59 running close to the village. It's around 30 minutes to Preston and the M6, about half an hour to Blackburn, an hour to the coast of Blackpool and Manchester.

While Clitheroe Interchange makes it possible to travel by bus to towns in and around Lancashire and Yorkshire. Nearby Whalley Rail Station, meanwhile, offers hourly – sometimes half-hourly, train services to Blackburn, Bolton and Manchester.

Shopping

Whalley is rightly proud of its independent shopping scene from children's wear specialists Hansel and Gretal to Whalley Warm & Dry, a popular outdoor boot fitting specialist. While, The Whalley Wine Shop has one of the finest selections of wine, beers, and spirits that Lancashire has to offer.

For your weekly shop, there are several large supermarkets within easy reach with nearby Tesco, Sainsbury's and Aldi – just a short drive away in Clitheroe where you'll also find upmarket grocery chain, Booths. Clitheroe's charming weekly market is a must-visit for all your fresh produce and much more.

Leisure and Attractions

The village hall is at the heart of the village, offering events from live music to baby massage classes.

For sports, nearby Roefield Leisure Centre has tennis courts, football pitches and even a climbing wall. In fact, for a village, Whalley pretty much has all sport bases covered – including a golf club and cricket ground, which is infamous for holding the first-ever 'Roses' cricket match.

Education

Whalley Manor is close to several well performing schools, including Whalley Primary School and Ribblesdale High School in nearby Clitheroe.

And when the time comes, there is a range of universities in the vicinity, including the University of Central Lancashire, Lancaster University and Bolton University. The University of Manchester, Manchester Metropolitan University and Salford University are also easily accessed by car or public transport links.

Options to buy

Help to Buy: Shared Ownership

As a government-backed scheme, Shared Ownership offers you the chance to buy a share of your home between 25% and 75% of the home's value and pay rent on the remaining share. Buying a share of your home means you can often have a smaller deposit and mortgage.

It can be an ideal way to buy a home for first-time buyers, as well as those who have owned a home in the past and now wish to get back on the property ladder.

The Benefits of Shared Ownership:

A smaller mortgage

Through Shared Ownership aspiring homeowners can buy a 25 to 75% share of a new build home and pay reduced rent on the rest meaning a smaller mortgage and you'll pay a reduced rent on the rest.

A smaller deposit

Through Shared Ownership buying a 25% share of a £250,000 home would require a deposit as low as £3,125 (5% of a 25% share of a home).

Your home

Because you're buying your home you can personalise it and make it your own.

Stamp Duty savings

When buying a property through Shared Ownership, you don't have to pay stamp duty on the shares that you buy*.

Owning 100%

Staircasing to home-ownership:

Staircasing is when you are increasing the share of the property you own gradually over time, until you eventually own 100% of the property. The cost of these additional shares is calculated by the market value of your home when you begin the process.

* You can claim a discount (relief) so you do not pay any tax up to £300,000 and 5% on the portion from £300,001 to £500,000. You're eligible if you, and anyone else you're buying with, are first-time buyers and you complete your purchase on or after 22 November 2017. If the price is over £500,000, you follow the rules for people who've bought a home before. Subject to Government policy as of April 2020 and is subject to change. Speak to your Sales Advisor for more information.

Making a difference in your community

At Laurus Homes, we do more than just build homes. We strive to create neighbourhoods that benefit the community and the wider society, and we put this at the heart of everything we do.

Our community-focused and profit-for-purpose approach to every project mean we make positive differences in people's lives and act as a catalyst for regeneration. In practical terms, this means we use our resources to lend a helping hand through affordable housing and community projects. We think everyone deserves a special place to live, so we design homes for all.

We re-invest our profits to achieve social, community and environmental benefits, meaning we grow the communities we need, where you need them.
