Charming, beautifully presented, three-bedroom semi-detached Victorian home, located on one of the most desirable tree-lined roads in Chatterton Village, close to everything a family could need including parks, nurseries, schools, local shops, cafes and restaurants, and excellent transport connections.

Jump on one of the frequent buses nearby and you'll be at Bromley South in no time to take advantage of fast connections to London Victoria. Petts Wood and Bickley stations offer alternative routes to London Bridge, Charing Cross, and Blackfriars.

Highlights of the house include an abundance of natural light, open-plan living and dining room, both rooms with fireplaces, generous storage including attractive built-in wardrobes in the main bedroom, a built-in wardrobe in the second bedroom, and extensive second-floor eaves cupboard the full width of the house. The master bedroom at the top of the house features a delightful contemporary en-suite bathroom. The front windows of the house have the added benefit of bespoke plantation shutters and the reception rooms feature luxury laminate flooring.

At the front of the house is a handsome paved garden with a low-level wall and wrought iron gate, to the rear of the house, a lovingly maintained, low-maintenance south-facing garden with thoughtfully designed entertaining areas to take advantage of the sun at all times of the day and a useful garden shed.

A fantastic opportunity for those of you looking for your first home, professional couples, expanding families, and downsizers looking to be part of a wonderful local community.
