Simply exquisite! Probably one of the finest apartment refurbishments we have seen. We are delighted to offer for sale this stunning two double bedroom, two bathroom ground floor apartment with private terrace, situated within yards of Bromley High Street and Bromley South Station and set back from the road.

Internally, the property comprises a spacious entrance hall with Karndean Herringbone flooring designed with a bordered edging, a spacious living room with ample room for a large dining table and sofas and access to the private terrace via sliding double glazed doors, a breathtaking modern grey, fully integrated kitchen suite with attractive marble effect countertops, exposed brick wall and generous breakfast bar, a stylish master double bedroom with contemporary en-suite shower room, second bedroom with built-in wardrobes and a marble effect tiled bathroom suite with modern black fixtures and fittings.

This property has been refurbished from top to bottom, including all new electrics, heating system, windows and all internals. It is essentially a brand new apartment within an existing modern development block.

There are attractive, well-maintained communal gardens around the development and the property also benefits from a private garage en-bloc.
