Atlas Image 10
Static Caravans For Sale
Sheerness Kent

The highlight of the Image 10 lounge is its stunning brushed metallic feature wall, complemented by a contrasting black nickel electric fire surround. This model exudes elegance and opulence with its luxurious three-seat sofa, two armchairs, large footstool, and high-quality fitted furniture.

In the dining area, a freestanding table and four chairs sit within an open-plan layout, perfect for enjoying meals with fresh air flowing through the sliding patio doors. The high quality continues in the fitted kitchen, featuring an integrated fridge/freezer and microwave, a gas oven and grill with a five-burner hob, and an extractor hood as standard. Graphite worktops, a black composite sink, and a mixer tap complete this stunning area.

The Image 10 is 41ft x 12ft 6in, two-bedroom model. This boasts a châteaux grey aluminium finish with windows and doors in graphite, a standard feature of this leisure home.

The spacious master bedroom in the Image 10 features a king-size bed with a leather-effect upholstered headboard, matching the storage stool at the built-in dressing table with a large mirror. The luxury theme continues with distinctive and stylish pendant lights.

The Image 10 includes two bathrooms. The en-suite to the master bedroom offers a full-size bath with an optional shower, a folding shower screen, and wet walling. It also includes a washbasin, WC, and extractor fan. The second bedroom has an en-suite shower room that is also accessible from the hallway.

A Velux® roof light creates an airy space in the bathroom, which is equipped with a fitted washbasin, shower cubicle, WC, and extractor fan. All bathroom fittings throughout the Image 10 feature an on-trend matte black finish.
