PROPERTY DESCRIPTION

Nestled in this highly popular quiet backwater on the edge of Tadworth village, stands this modern and stylish home, built by and for our client, to his own exacting standards. The distinctive and crisp look of a fully rendered home, under a black slate roof and with high quality anthracite windows, unmistakably and unapologetically makes a bold statement, and sets the tone for what is to come as you work through the framed and glazed front door, in to the large reception hall with its large, square, porcelain floor tiles, downlighters and turned staircase with glass panels, not to mention the beautiful black doors that lead through to all the main ground floor rooms, including the study/bar room, sitting room and full width kitchen/dining/family room that runs 44' across the back of the house.. There is also a ground floor cloakroom and a utility room with a secondary cloakroom off it. The first floor offers the main bedroom, with large dressing room, en-suite shower room and access to a study/dressing/further dressing room. There are two further suites on the first floor, whilst bedrooms 4 and 5 are located on the second floor, both with their own en-suite shower rooms. In total, this is a home that offers just under 3600 sq ft of high quality, high spec living, including air source heat pump, underfloor heating, quality flooring, lighting, fully fitted kitchen, designer bathrooms, bi-folding doors to the rear, double glazing units throughout, and more besides.

To the outside, the property is approached by a brick paved driveway and forecourt area that provides ample private and visitor parking to the front and side, with potential (subject to local authority consent) for a garage to be attached to the side. To the rear the garden area is designed around easy maintenance and entertaining, with large areas of terracing that runs on to the main central area of astro turf.

The garden is easterly facing but enjoys a sunny and secluded aspect, and the property has stylish lighting that can be enjoyed both internally and externally all year round.
