PROPERTY DESCRIPTION

There are always so many different elements around search criteria when looking for your next home, but for many of us, especially families or/and maybe downsizers, the things that tend to fill our minds are questions around location, how close the school is, whether you can walk to it maybe, how quickly you can run to the station, if there`s somewhere nearby that you can run round the corner to get provisions; and then of course the question over whether you need to do any work, because ideally we`d like to buy something that takes all the hassle away and provides high quality, timeless style from the moment you arrive.

If that sounds familiar to you, then we might just have something.

Located in the heart of Tadworth village, in a small exclusive cul de sac, this 4 bedroom detached home is the brainchild of the current owners, and it offers around 2850 sqft of footprint, including a detached garden studio, the likes of which you may not have seen.

The accommodation is really well considered and laid out , with entrance hall, family room, sitting room, large utility room, cloakroom, and 33` wide open plan kitchen/breakfast/family room area with sliding open doors out to the terrace and gardens beyond, whilst to the first floor are the primary bedroom with dressing wardrobes and ensuite, and 3 further good size bedrooms and luxury family bathroom with bath and shower.
