PROPERTY DESCRIPTION

I have waxed lyrical about any number of the classic Costain semi detached homes over the years, such is the opportunity that these great homes offer, but I'm not sure I've ever seen anything better than this extraordinary example.

Offering over 2600 sq ft of footprint and accommodation over three floors, the current owners have invested heavily in reconfiguring, extending and stylishly upgrading their home, to produce a space that truly reflects the needs of modern living, combining large expansive open plan areas with rooms such as the large sitting room, study, or large bedrooms, all the while respecting the charm and character of the home's original era. Be it the large porcelain tiles, the fully fitted Shaker kitchen, luxury bathrooms, log burner, feature walls, American style shutters, downlighting, underfloor heating, gas fired heating via radiators and double glazing, this is a future proof home, both inside and out, with the benefit of a large tarmac driveway, paved terracing and long garden.

PROPERTY DESCRIPTION
