PROPERTY DESCRIPTION

Set within a private courtyard, we are delighted to offer a rare three bedroom cottage that offers more than meets the eye, and as such is worthy of serious consideration if looking for stylish downsize or perhaps a step up to your first house within the Kingswood area. Bought only a few years ago by the current owner, the cottage has been the subject of considerable improvement and today presents itself as a home that you can move straight in to, with accommodation that includes an open hallway area, cloakroom, open plan dining area leading to kitchen and opening out to the sitting room, with doors to the conservatory, whilst to the first floor are three good sized bedrooms and a large modern bathroom with bath and overhead shower. The cottage is well presented throughout and benefits from electric heating, double glazing and a new roof, to name but a few.

To the outside the front door is accessed from a small private courtyard, whilst the cottage enjoys it`s own private garden to the rear, with the benefit of a modern garden studio, perfect for a home office, gym or any number of uses. The communal gravel forecourt area provides ample private and visitor parking and there are also two garages that come with the cottage.
