PROPERTY DESCRIPTION

An incredible opportunity for first time buyers, investors, downsizers and young professionals alike! The ground floor layout comprises two main spaces, a good sized sitting area at the front of the house, and a kitchen to the rear complete with access out to the garden. Upstairs you'll find two bedrooms, the largest of which sits at the front of the house, with plenty of built in storage. Bedroom two is a good size and overlooks the garden. The bathroom, though a little dated, remains functional. The garden is compact but still provides a space for your morning coffee, summer BBQ and green thumbed endeavours! The value and scarcity of an allocated parking space & garage this close to the town centre cannot be overstated, a real bonus for prospective buyers.

What we are offering here is an opportunity to own a property just moments from the town centre with ample scope for modernisation and improvement, we don't think this will be sticking around for long.

Epsom is a highly sought-after Surrey town that blends historic character with excellent modern amenities, making it popular with families and commuters alike. The town benefits from strong transport links, with Epsom station providing frequent direct services to London Waterloo, Victoria and London Bridge, as well as easy access to the A24, A3 and M25 for wider travel. Schooling is a major draw, with a broad mix of well-regarded state and independent options nearby, including several highly rated primary schools and respected secondary schools such as Glyn School and Rosebery, alongside renowned independents in the surrounding area. Epsom also offers a lively town centre with a wide range of shops, cafés and restaurants, attractive green spaces including Epsom Downs and Nonsuch Park, and a strong sense of community, making it an appealing location for both long-term residents and those relocating from London.
