PROPERTY DESCRIPTION

I'm sure many of us have driven through a road and thought we could live there, and then of course within that road there are invariably one or two houses that make you stop, and you wonder if it's as good as you think it's going to be as good on the inside as it is from the outside. This is exactly one of those houses, and what we are about to show you is something really very special, reflecting both London style and country living, and of course merging Victorian charm with high quality modern day living style. With just over 2500 sq ft of footprint, including accommodation over three floors, garage and summer house/covered store area, this home is the epitome of timeless elegance, with an abundance of features and high quality specification at every turn; from oak flooring, cast iron log burner, older style radiators, cornicing, American style window shutters, modern double glazing, Shaker style kitchen with central island, luxury modern bathrooms, and much more besides.

The accommodation includes a beautiful L shaped entrance hall, sitting room, utility room/wc, and an impressive open plan kitchen/dining/family-room opening out to a conservatory, whilst to the first floor are the primary bedroom with dressing room and en-suite bathroom, 2 further bedrooms and family bathroom, whilst to the second floor is large 4th bedroom.

To the outside the property is approached by way of an open brick paved driveway giving access to the garage, whilst to the rear is a large paved patio leading on to the main lawn with fenced borders and well established flower beds.

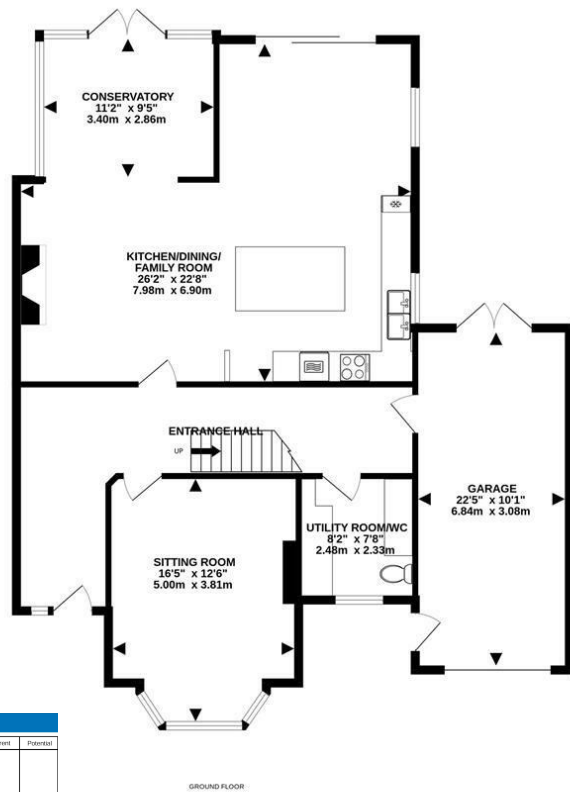

LOCATION AND AMENITIES
