PROPERTY DESCRIPTION

This is a really interesting one; a classic 1960's four bedroom detached house, with all the classic features, being loved and looked after by the current owner for many years but still very much one foot in the original era, on a great plot and in a very sought after location on the edge of Tadworth and Walton on the Hill villages. We've had the good fortune of selling a number of these style of homes over recent years, and they are proving to be very popular for those looking to create modern spaces and redesign spaces in ways that fit modern family living; indeed, even externally, they afford great opportunities, and you only need to see some of the amazing results of other projects in the same road, to give you inspiration.

Offering close to 2000 sq ft of living accommodation over two floors, the current layout includes large entrance hall, sitting room, dining room, kitchen and cloakroom, whilst to the first floor are 4 bedrooms and family bathroom. To the outside, the property is approached by way of large open driveway and forecourt area that gives access to the attached double garage, whilst the established rear garden is the result of some 65 years of tender loving care, being of a larger than average size and enjoying a secluded aspect.

Kingsdene is in a highly popular and sought after location, on the edge of Tadworth village, whilst also benefitting from easy walkable access to Walton on the Hill. The house is perfectly located for access into the village, as well as Tadworth Train Station offering regular trains into
