### Location

Great Glen is a thriving south Leicestershire village offering amenities catering for most day-to-day needs and being particularly convenient to Leicester Grammar and Stoneygate School within the village along with popular schools in the state sector. The area is surrounded by some of the County's finest rolling countryside with the market town of Market Harborough and the City of Leicester providing a wider range of facilities, professional quarters, and mainline rail access to London St. Pancras.

### Accommodation

From the porch, you step straight into an entrance hall/dining room featuring a bay window to the front and beautiful exposed wooden beams. To the left is a convenient downstairs WC and useful understairs storage. The kitchen, accessed from the dining room, continues the character with its exposed brick wall and wooden beams. It's well laid out with a section of fitted wooden units, space for a fridge/freezer, oven with gas hob, washing machine, and dishwasher/freezer, along with a handy breakfast bar/peninsula. A side door provides access to the rear garden. The lounge is a generous size with two windows overlooking the garden, again featuring exposed wooden beams, two windows, and a brick fireplace with a gas fire. This opens into a cosy study area, ideal for working from home.

To the first floor, the landing feels bright and open with a window to the front, creating a real sense of space. Off the landing is a small cupboard housing the boiler. The master bedroom is full of character, with fitted wardrobes and a bed recess set beneath an arch. This leads through to a dressing area with a sink and further double fitted storage, with potential to convert into an ensuite if desired. The second bedroom is a good-sized double with large, fitted cupboards and a front facing window, while the third bedroom also includes a fitted wardrobe and window overlooking the rear garden. The bathroom is fully tiled and features a walk-in shower, wash hand basin, and a separate WC.

### Outside

To the front, a brick retaining wall encloses the front garden, with steps leading up to the welcoming porch and front door. The garden enjoys a courtyard area to the side with a gate providing access to the road. The main garden is laid to lawn with a tarmac driveway leading to a single garage at the rear with a remote control electric door, power and lighting.
