The property is entered via French doors into a charming entrance porch, where red quarry tiled flooring and an abundance of glazing create a light and welcoming introduction. A composite front door opens into an inviting entrance hall featuring engineered oak flooring and a solid timber staircase rising to the first floor, with useful under-stairs storage.

The ground floor offers a wealth of versatile living space. The well-proportioned study/reception room sits to the front elevation and features a generous bay window alongside a recessed log burner set within an exposed brick chimney breast. A playroom/reception room, also boasting impressive proportions, flows seamlessly into an impressive third reception room. This outstanding vaulted space enjoys a 180-degree outlook across the garden, French doors to a raised deck and a flexible layout ideal for both relaxation and entertaining. A snug provides further versatility, perfect as a home office, playroom or music room. Connecting key living areas, the side hallway has exposed brickwork and quarry tiled flooring, also serves as an ideal boot room with garden access.

The extended open-plan living kitchen forms the heart of the home. Finished to a high specification, it benefits from underfloor heating, tiled flooring, a dual aspect with bay window, and bi-fold doors opening onto the garden. The high-gloss kitchen is fitted with composite worktops, under-counter lighting, a 'Franke' stainless steel sink and integrated 'Neff' appliances including oven, microwave/oven, warming drawer, fridge, freezer and dishwasher. A central island incorporates a five-ring 'Neff' induction hob, extractor hood, additional storage and breakfast bar seating for casual dining. A separate utility room and guest WC complete the ground floor.

To the first floor are four double bedrooms, two of which feature attractive bay windows. The extended principal bedroom is particularly impressive, offering countryside views and a beautifully appointed ensuite bathroom with walk-in double shower, oval freestanding bath, vanity basin and chrome heated towel rail. A modern four-piece family bathroom serves the remaining bedrooms. Stairs rise to the second floor where the second bedroom provides an ideal guest suite, complete with extensive eaves storage, Velux windows, countryside views and its own ensuite shower room.
